

Waupaca Area Triathlon Parking

The Waupaca Area Triathlon Board of Directors wants to make your triathlon experience a memorable one. Our group has worked hard to improve all facets of the event, including parking. Located on the website is a map of designated parking areas.

Some general points about parking:

South Park – there is no parking allowed at South Park Upper Area after **3:00PM on Friday, August 14** and no RV parking or camping at South Park on Friday night. **No exceptions.** If you're registering or taking in the kids triathlon and Potato Bake on Friday evening you are asked to park in designated areas.

Parking on the day of the event.

People Arriving to South Park from the South

Anticipating that people will begin arriving at about 5:30AM we will have volunteers posted to help direct you. The easiest and most convenient way for you to get to the event and park is to enter the city of Waupaca at the US Hwy 10/Hwy 22 interchange. After existing, go north towards downtown. If you come this way we will begin parking people at **Site #3 – South Park Lower Shelter**. This is a nice lot, very close to the main event area. Once filled, parking attendants will direct people to **Site #4 – Shadow Lake Boat Ramp**. This site is small. When filled, you will be directed to **Site #5 – Bowersox Park**. This is a small passive park with limited parking. However, the park is on a dead end road that can accommodate parking on one side. Finally, once this site is filled you will be directed to **Site #6**, the city of **Waupaca Recycling Center**. This is the largest designated parking area. From this area trolleys will transport you and your supporters to South Park.

People Arriving to South Park from the North, West and East

If you come into town on Hwy 49 or Hwy 54 it may be easier for you to find and park at **Site #1 - Holly Funeral Home**. Please note that if there is a Funeral or other related activity then this parking area will not be available. Once this lot fills then you can park at **Site 2 - west side of South Washington St**. Your best bet however is to get on to US 10 and exit onto Hwy 22 and make your way to **Site #6 – Recycling Center**.

There will also be parking along city streets further north of Lake Street. **THERE IS NO PARKING ALONG SOUTH MAIN STREET FROM SOUTH PARK NORTH TO LAKE STREET. ALSO THERE IS NO PARKING ALONG CTH K FROM SOUTH PARK, SOUTH TO THE RECYLING CENTER SO AS TO KEEP THE PAVED TRAFFIC OPEN AND SAFE FOR PEDESTRIANS.**
